About IET Lucknow
The Institute is among one of the leading institutes in UP and was established in year 1984 as an autonomous Institute under Govt. of Uttar Pradesh. However, with effect from June 2012 the Institute became an autonomous Constituent Institute of Dr. APJ Abdul Kalam Technical University, Lucknow. The Institute is committed to quality and excellence in academic pursuits, offering UG programmes in eight branches of technology, PG programmes in six engineering streams, MCA, MBA, and Ph.D. programme in all branches of Engineering and Management.

The Department of Electrical Engineering
The Department of Electrical Engineering offers courses leading to a Bachelor of Technology in Electrical Engineering and Master of Technology programme in Electric Drive & Control. In addition, the department has strong research groups in the area of Electric Power System and Power electronic & drives. The Department enrolls candidates for the Doctor of Philosophy programs; full time, under TEQIP-II and part time candidates of Dr. APJ Abdul Kalam Technical University, Lucknow in various research areas.

The Department of Electronics & Communication Engineering
In tune with the latest developments and keeping pace with the rapidly evolving technology, department is equipped with state-of-the-art equipments and instruments for experimentation in different subjects, these assist students in exhaustive study and help them in learning various concepts through experiments. The department offers two UG programmes B.Tech. in Electronics and Communication Engineering (EC), B.Tech. in Electronics and Instrumentation Engineering (Ei) and Master of Technology programme in Microelectronics. The Department enrolls candidates for the Doctor of Philosophy program; full time, under TEQIP-II and part time candidates of Dr. APJ Abdul Kalam Technical University, Lucknow in various research areas.

How to Reach: Capital and historic city of Uttar Pradesh Lucknow is well connected by road, rail and air travel modes. The Institute is located at 13 km from rail/bus station and about 30 km from Lucknow airport.

National Conference on Emerging Trends in Electrical & Electronics Engineering (NCETEEE’16)
(19-20 August, 2016)

Coordinators
Prof. Kuldeep Sahay
Prof. V.K. Singh

Organized by
Department of Electrical Engineering & Department of Electronics & Communication Engineering
Institute of Engineering & Technology, Lucknow

Address for Correspondence: Coordinator, NCETEEE-2016
EED, IET, Lucknow, Sitapur Road, Lucknow-226021, U.P.
Email: nceteee2016@gmail.com
Website(s): www.aktu.ac.in
www.ietlucknow.edu
Objective of Conference

The conference is organized to highlight the current issues and future trends in the field of electrical and electronics engineering. It aims to simulate a forum for UG/PG students, researchers, academicians, and industry people from all over the country to disseminate the new research findings and explore innovative technologies for the benefit of society.

Call for Papers

Topics include but are not limited to:
- Advanced Electric Drives and Hybrid Vehicle
- Advanced Power Electronics and Its Applications
- AI Applications in Electrical Engineering
- Analog Signal Processing
- Communication Systems
- Digital Signal Processing
- Embedded System Technology
- Electricity Marketing
- FACTS Devices and Its Applications
- Green Energy
- Image Processing
- Industrial Sensors
- Optical Communication
- Optimization Techniques in Electrical Engineering
- Power Quality Management and Stability Analysis
- Power System Planning
- Power System Reliability Engineering
- Power System Security and Monitoring
- Renewable Energy and Energy Storage System
- Smart Grid Technology
- VLSI Design/Circuits
- Wireless Communication
- Wireless Sensor Networks

Format for Paper Submission

The authors are invited to send their papers in IEEE format with the following pattern:
- Font Type: Times in New Roman
- Title of Paper: 14 Point Bold
- Sub Heading: 12 Point Bold
- Contents: 10 Point with single line spacing
- No. of Pages: Maximum six pages with A4 size

One copy of the full paper not exceeding six pages, prepared in above format, should be sent to ncetee2016@gmail.com. At least one of the authors of accepted paper should register and present the paper at the conference.

Payment Method:
Participants should make their payment through online:
Account Name: Director IET
Bank Name: Vijaya Bank
Branch: IET, Lucknow
Account Number: 714101010010814
IFSC Code: VIJB0007141

Contact:
Dr. Kuldeep Sahay
Prof. & Head, EE, IET, Lucknow
Mobile No.: +919415061565
Dr. V.K. Singh
Prof. & Head, EC, IET, Lucknow
Mobile No.: +919415111799

Accommodation
Limited accommodation is available on payment basis for outstation participants arranged in the Institute depending upon the availability of first come first serve basis. For this, inform to us by sending the email by 10/08/2016.

Registration Form

National Conference on Emerging Trends in Electrical & Electronics Engineering (NCETEEE’16) (19-20 August, 2016)
